

IntroDialogue::render

```
graph LR; A[IntroDialogue::render] --> B[printAnimate]; B --> C[sleepMS];
```

A flowchart illustrating a sequence of three operations. The first operation, 'IntroDialogue::render', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the second operation, 'printAnimate'. Another blue arrow points from the 'printAnimate' box to a third white rectangular box containing the operation 'sleepMS'. All boxes have a thin black border.
